

Welcome to New Horton Lake Inn Vacation House

Important Guidelines

What's Included

Internet access (wireless only), bed linens, bath linens, dishes, flatware, pots and pans, fridge, stove, dishwasher, washer, dryer, microwave, toaster, coffee maker, clothesline, clothespins, firewood, BBQ, propane for BBQ, BBQ tools, use of docks for swimming and boating, use of non motorized boats (canoe, kayak, paddle boat), use of life jackets. There are a few movies for the DVD player but it is advisable to bring your own.

What's Not Included

All consumables such as: dish soap, laundry soap, shampoo, hand soap, toilet paper, food items including condiments and seasonings (salt and pepper), beach towels, phone service, cable, satellite.

Damage or Cleaning Fee

Any damage done to the property or excessive cleaning may result in a charge to your credit card. In order to avoid a cleaning charge please return furniture to its original position, strip linens from beds, return dishes to the pantry and leave the place as you found it, for those with dogs this includes picking up outside after your dog. Place all garbage in garbage bags and place the garbage bags in the outdoor cans provided.

Pets

Please be respectful of people with allergies and keep your pets off of the furniture. Keep your dogs tied or on a leash at all times as there are many cars driving on the property and not every one slows down. Our dogs travel back and forth with us as we go about our work and keeping your dog tied or leashed will avoid unnecessary confrontations. There are also many wild animals that present a hazard to dogs, one of the most common being skunks. Please pick up outside after your dog or a cleaning fee will be applied to your credit card.

**There are many excellent places to eat in the area,
